a message
from co.as.it.'s
CEO

The year has started off very busily and like previous years, it is a sign of what we will face for the rest of 2018.

Many of our staff did not have much of a break over Christmas as our offices were kept open over the festive season to deliver services to well over 4,500 people.

These are services that many cannot do without and often our care staff is the only person they will see during the week.

Thinking of the many socially isolated clients with whom we come into contact, I ask you to consider what you can do in your own circle: check on an elderly neighbour, dedicate some time to volunteering or just pick up the phone and have a quick conversation with a friend or elderly family member to see how they are coping.

You will be surprised at how a simple phone call can make a difference to their day.

If anyone would like to join our social activity groups at Casa Serena and Casa Aurelia, contact our office and we will initiate the necessary paperwork for you.

Also don't forget our monthly bus outings are very popular, ask to join our social outings to experience new and interesting places and spend time with friends.

A reminder that our upcoming event 'International Women's Day' will be on the 10th March.

Attended by more than 300 women each year, it has become a signature event and a wonderful day out with interesting women, young and old.

The chic affair includes a delicious high tea, fashion parade and fabulous raffles.

Please come and support our organisation so that we can continue to support those in need within the community – with your

help we can make a difference to their daily lives.

Should you or someone you know, speak another language and be interested in working in the aged and community care industry, please call us to meet for a chat.

Don't speak another language and would like to learn?

Contact our Italian Language Centre team and join our Italian language courses, first semester will be under way soon with many students itching to start their learning journey...

Until the next issue, my very best wishes.

Dina Ranieri

CHRISTMAS AND BIRTHDAY CELEBRATIONS

The CALD (culturally and linguistically diverse) Italian Activity groups have a new CALD Activity Officer, Nella Cannavò who has joined the team. Together with their volunteers, in the past few months, the activity officers have presented residents with great Christmas and birthday activities.

Cooper House at Weller Gardens prepared a festive Christmas themed morning tea setting and Co.As.It. provided traditional panettone to share amongst the residents and family members who attended.

Residents and their families at Windsor Aged Care enjoyed the craft activity of Christmas card making and making Christmas tree decorations. Some residents whose work life skills involved creativity e.g. dressmaking or needlework, enjoyed the hands-on fine motor skills that the activity required.

Residents proudly displayed their craftsmanship to staff and other residents who were quite envious of the lovely pieces!

Birthdays are another opportunity for celebration and 90th birthdays are very special indeed as one resident at John Wesley found out when a small surprise party was held for her during the Italian CALD Activity Group.

She was rather delighted to have been the centre of attention, especially when volunteer Rose Raciti served coffee and cake for her special milestone birthday.

A SPECIAL FESTIVE SEASON

At Christmas, not only did we celebrate the festive season but our valued volunteer John Santomauro was recognised with a small gift for his 10 years of volunteering with Co.As.It.

A special thank you to all our other volunteers who dedicate their time so willingly.

SPRING CARNIVAL WEEK

Spring Carnival Week was another theme that reflected current community events with the Melbourne Cup featuring strongly.

Clients were again encouraged to come dressed for the field in fancy attire to celebrate this iconic Australian race that annually stops the whole nation for three long and thrilling minutes.

We also had our “Fashion on the Field” parade, horse racing sweeps and other race day activities.

HALLOWEEN ITALIAN STYLE

Although 'La Befana' is a tradition that is held a little later in the year in Italy, in October the Gold Coast Activity Groups enjoyed an Italian take on Halloween which they called **Befana Day**.

Throughout this week, clients were encouraged to come dressed as witches and the centre was decorated with ghoulish and grizzly scenes as participants played witch inspired games like broom stick races, witch hat toss and other witch related games.

AUSTRALIA DAY - COLOURS OF GREEN AND GOLD!

The groups at the Gold Coast had great reason to celebrate Australia Day recently. Hosting the Commonwealth Games in April, there was a sense of pride in being an Australian and coming together to celebrate this special day.

The colours of green and gold were reflected in t-shirts, caps, banners and bouncing kangaroos and small Australian flags adorned the centre. Everyone enjoyed the iconic Aussie 'tucker' for morning tea and lunch.

Everyone is looking forward to the games and hoping that some medals will soon be adorning our athletes' necks.

OCCASIONS TO REMEMBER!

It is not often that the Home Care Package Coordinators get to leave their desks to attend get-togethers with their clients but for Christmas last year, all of them were able to take the time away from their very busy jobs to spend some genuine one-on-one time with their clients.

Intake HCP Leader Michelle Calabro organised two delightful morning teas for the Brisbane South and Brisbane North package clients at the Carina Leagues Club and Kedron-Wavell RSL Services Club and they were two occasions to remember.

HCP Coordinators - Kris, Anna, Paul, Debbie and Michelle shared some delicious goodies with their clients who were thrilled to put a name to the faces of the people they speak with so often.

Everyone thoroughly enjoyed the experience and the little gift bags taken home by the attendees were a charming surprise.

Despite these small events happening only recently, the clients have eagerly asked that they get to do it all over again this year.

social activity groups brisbane

PROBLEM SOLVED

When necessity is the mother of invention! Three of our community care staff addressed (or perhaps we should say 'dressed') a bit of a problem recently with a very imaginative and innovative solution!

Not having brought Christmas costumes to entertain the clients at a December social activity group, the workers were not discouraged.

Some quick thinking and the appropriation of some props soon had everyone in the Christmas spirit.

With the requisitioning of tea towels, multi-coloured tablecloths, towels, broom handles, dishcloths and cotton from the medical kits, a remarkable resemblance to the Three Wise Men evolved and their impromptu appearance was an absolute delight for many.

Given the opportunity, we think they could cut the costume budget of a major film!

On Australia Day we celebrate all the things we love about Australia: land, sense of fair go, lifestyle, democracy, the freedoms we enjoy but particularly our people.

Australia Day is about acknowledging and celebrating the contribution that every Australian makes to our contemporary and dynamic nation.

From our Aboriginal and Torres Strait Islander people - who have been here for more than 65,000 years - to those who have lived here for generations, to those who have come from all corners of the globe to call our country home.

The marking of 26 January is an important date in Australia's history and has changed over time: starting as a celebration for emancipated convicts and evolving into what is now, a celebration of Australia that reflects the nation's diverse people.

MELBOURNE CUP 2017

Ma come può una corsa di cavalli coinvolgere così tante persone che l'Australia si ferma, letteralmente, per due minuti all'anno? La partecipazione è fenomenale: vestiti a festa, con cappelli creati come opere d'arte, pranzi speciali e tutto intorno all'euforia creata da una corsa che vale milioni per gli allenatori, i fantini, i proprietari dei cavalli e ovviamente per il pubblico in generale.

Un momento di vita che non poteva sfuggire ai partecipanti ai gruppi sociali del Co.As.It. che si sono ovviamente vestiti a festa, hanno indossato cappelli stravaganti e hanno potuto godersi la gara durante un pranzo creato per l'occasione.

La giornata è proseguita con sfilate di moda, scommesse e corse di cavalli "indoor" - meglio che essere spinti da migliaia di persone alle corse!

HALLOWEEN 2017

Halloween è una festività di origine celtica celebrata la notte fra il 31 ottobre e il 1° novembre, che nel XX secolo ha assunto negli Stati Uniti le forme spiccatamente macabre e commerciali con cui è divenuta nota.

L'usanza si è poi diffusa anche in altri Paesi del mondo e le sue manifestazioni sono molto varie: si passa dalle sfilate in costume ai giochi dei bambini, che girano di casa in casa recitando la formula

ricattatoria del trick-or-treat (dolcetto o scherzetto, in Italia).

Caratteristica della festa è la simbologia legata alla morte e all'occulto, di cui è tipico il simbolo della zucca con intagliata una faccia sorridente (il più delle volte spaventosa) e illuminata da una candela o una lampadina piazzata all'interno, derivato dal personaggio di Jack-o'-lantern. Pure noi abbiamo celebrato Halloween, con i gruppi sociali!

NATALE A STANTHORPE

Il 7 dicembre scorso, 60 clienti del Co.As.It. sono partiti alla volta della campagna per festeggiare il Natale. Alle sette in punto l'autobus è partito da Newmarket per il lungo ma entusiasmante viaggio verso Stanthorpe, nell'entroterra del Queensland.

Dopo una breve sosta ad Aratula per un buon caffè e una fetta di panettone offerta dal Co.As.It., i partecipanti sono arrivati alla Ballandean Estate Winery. L'aria fresca e il sole hanno risvegliato gli spiriti dei gitanti dopo il lungo viaggio. Dopo aver assaggiato diversi vini dal vigneto, alcuni hanno deciso di comprare anche qualche bottiglia da portare a casa.

L'ora di pranzo si faceva sempre più vicina e il gruppo è risalito in autobus con destinazione International Club di Stanthorpe. I gitanti sono stati accolti letteralmente a braccia aperte dal Presidente dell'Italian Australian Welfare Association (Granite Belt) Vince Catanzaro, dal direttore del Club e dal personale che ha fatto accomodare tutti a tavola.

Al gruppo è stato servito un buonissimo buffet con salsicce italiane e cannoli assieme ad altre prelibatezze di carattere prettamente italiano. Il pranzo

è stato allietato dal vino e dalle canzoni di Fortunato.

Il gruppo ha ricevuto i sentiti ringraziamenti da parte del Club, che ha apprezzato lo sforzo del Co.As.It. nell'organizzare un viaggio così lungo per permettere al gruppo di trascorrere una giornata del periodo natalizio assieme ad altri italiani.

Non sarebbe ovviamente stato un Natale senza Babbo Natale, che si è presentato con grande sorpresa di tutti con regali per ogni membro del gruppo.

Purtroppo, è arrivato anche il momento di ritornare a casa.

Un grande rientro, con commenti positivi e con canzoni natalizie cantate con gioia. Un Natale da non dimenticare.

CONNECTIONS AND COMPANIONSHIPS

Social interaction is important for our well-being and vitality, even more so as we age.

When mobility restricts outings, CVS volunteers play an important role in bringing social interaction and companionship into private homes or in residential care homes.

Maria lives at home with her husband and has always enjoyed social events. Regular visits from the CVS volunteer Eileen Lynch provide a welcome opportunity for Maria to share stories from her youth, family and life in her native tongue.

The visits are full of laughter and smiles as Maria reminisces over Italian coffee and many of her photos. Most importantly they get to have a lovely visitor who drops in regularly and is a connection to the wider community outside their home.

“COMMUNITY CONNECT” - TECHNOLOGY CLASSES

For some, learning computers and basic internet skills is not only for accessing information, it is a great way to keep in touch with family and friends, not to mention the health benefits that come from the alleviation of isolation through contact with social media or from playing memory games.

In fact, what holds true for those on the right side of the age divide is also true for seniors when it comes to internet and basic computer skills.

Many older people fear the computer, but basic computer skills are very easy to learn, more so today when everything is designed to be user friendly and visually accessible.

In response to these needs, Co.As.It. Community Services is offering a series of workshops for seniors who live in the Brisbane area. The computer classes take place in a supportive, familiar, and relaxed environment for older adults. Co.As.It. ensures the linguistic needs of CALD participants are addressed and a bilingual worker enables participants to communicate in the preferred language.

Weekly sessions are taking place at the Italian Language Centre in Newmarket.

The project has been of great benefit for community members as they have now an increased ability to turn on their devices and accessing emails, talking to friends and family on Facebook, surfing the web and listening to music on YouTube – in any language!

The 2017 computer sessions ended with a Christmas Party where each student received a “Best Computer Whiz Certificate”.

2017 COMMUNITY CONCERT

Co.As.It. was excited to celebrate its 11th Community Concert on Saturday 25 November at the Old Museum at Bowen Hills.

Over 300 guests welcomed international performer and Emmy nominee Alfio to the stage.

His mesmerizing performance was supported by Vavachi Entertainment and both shows were a combination of incredible vocals, comedy and classic piano ballads.

Staged under the patronage of the Italian Consulate for Queensland and Northern Territory, the event also featured a special Broadway performance from soprano Gabrielle Jack and tenor Roger Davy.

Giving new life to all-time favourites from highly awarded musicals like Phantom of the Opera and Cats, the audience was thrilled to hear these songs performed live.

Amongst enthusiastic applause and much laughter, guests also sang along to much loved Italian classics creating an harmonious atmosphere to Alfio's unique talent.

Master of Ceremonies, TV personality Damien Anthony Rossi, welcomed distinguished

guests including the Italian Consul for Queensland and Northern Territory Dott. Ludovico Carlo Camussi, the President of Com.It.Es. Queensland and Northern Territory Mariangela Stagnitti, the Hon. Teresa Gambaro and Co.As.It. President Cav Nereo Brezzi.

During intermission, audience members were treated to an array of Italian traditional sweets and biscuits, generously donated by Gerbino's Pasticceria.

Alfio later returned to the stage for the final act of his performance and the concert concluded with the much anticipated drawing of the raffle. Our generous raffle sponsors this year included

Touring Abruzzo, Basile Imports, KM Smith Funerals, Councillor Norm Wyndham and Dendy Cinemas.

Six lucky winners walked away with gourmet gift hampers and vouchers.

Following a fabulous applause at the conclusion of the performances, guests gathered

under the beautiful historic archway of the Old Museum where they were treated to traditional panettone accompanied by prosecco that was generously donated by Italiquore Brands Internationale.

Co.As.It. extends a warm appreciation to the many supporters and sponsors of this annual event.

COMMUNITY SUPPORT

During the last quarter, we were pleasantly surprised by a visit from Mr. Peter Pavia, ex-President of the Piemonteis Association of Queensland Inc. He presented Co.As.It. with a generous donation to be used towards the services provided to our elderly clients.

We thank Mr. Pavia and his committee members for the kind gesture which is very much appreciated. We remind our community members that Co.As.It. Community Services is a registered charitable organisation recognised by the Australian Charities and Not for Profit Commission. All donations are tax deductible.

NATIONAL CONFERENCE FOR AUSTRALIAN TEACHERS OF ITALIAN

Each year during the month of October, the teaching and learning of Italian is celebrated worldwide.

Now in its 17th year the XVII settimana della lingua italiana nel mondo is celebrated through a variety of events.

In Australia, the event was celebrated on a national level at the Italian Embassy in Canberra where the 3rd National Conference for Australian teachers of Italian took place.

The conference was convened by Dott.ssa Anna Rita Tamponi, Director of the Educational and Cultural Office at the Italian Embassy.

The theme was “L’italiano al cinema, l’italiano nel cinema”.

After a warm welcome from the Italian Ambassador HE Pier Francesco Zazo, the conference began with the Premio Italia Award 2017 going to Heidi Bula from the University of Melbourne who won the prize for her speech entitled ‘La dolce vita mia’.

Then the keynote speakers took the floor.

John Kinder from the University of Western Australia began with his presentation on the Italian film industry’s very proficient and effective tradition of dubbing foreign films and how the problem

of dubbing different English accents is dealt with.

This was followed by Donata Puntili from King’s College London whose presentation offered an overview of the use of film clips in the teaching of Italian as a second language.

Finally, Gino Molterno from the Australian National University concluded the morning session with his presentation on the presence and function of spoken and written Italian in Italian cinema.

After morning tea, Antonella Cavallini from the University of Melbourne presented a detailed

analysis of the film 'Terraferma' to highlight how specific Italian values are represented through the variety of characters in the film and the version of Italian they speak.

Then Lyndell Lawton from the Yarralumla Italian Bilingual school in Canberra showed how animated stories are used as a tool to teach students in Year 3-4 to speak, recount and write in Italian.

From the Italian Language Centre in Queensland, Marzia Mauro and Rosella Dermedoglou showed how cinematic adverts and the Spaghetti Western genre could be utilised as resources through which to teach the content of the

Australian Curriculum Languages which aims to develop Italian communication skills as well as an understanding of the relationship between language, culture and learning.

The next speaker, Enrichetta Parolin from New South Wales, illustrated NSW Stage 6 Extension Italian Syllabus.

The Syllabus offers students the opportunity of in-depth study of a film in Italian to extend Italian competency and fluency.

The final speaker before lunch, Gabriella Quadraccia from ACT, illustrated how the famous film La Ciociara may be considered a

rich resource to extend learners' linguistic capabilities in Italian.

The final part of the conference in the afternoon took the form of practical workshops directed by Donata Puntil and Enri Parolin who suggested effective use of Italian film clips in the classroom to motivate and stimulate students in their acquisition of the Italian language.

More than eighty teachers of Italian from all over Australia registered to attend the conference. According to the general consensus it was an excellent opportunity to meet and share ideas.

italian language teaching

2ND ITALIAN SPEAKING COMPETITION IN BRISBANE

The new Australian Curriculum Languages is designed to enable all school students across Australia to engage in learning a second language.

This not only extends the capacity to communicate but develops understanding of and respect for diversity and difference.

The aim of Language Speaking Competitions is to allow language students to express their ideas, display their language skills and gain confidence in using the language they are studying.

Over the weekend of 14 and 15 October, students studying Italian in schools in and around Brisbane had the opportunity to show off their linguistic skills at the 2nd Italian Speaking Competition organised by the Italian Language Centre (ILC) in association with

the Modern Language Teachers' Association Queensland (MLTAQ).

ILC competition organisers Marzia Mauro and Rosella Dermedgoglou confirmed that a higher number of entries were received compared to the previous year, making it

necessary for the competition to run over two days. Students from year 2 to year 6 recited poems and those in year 7 to year 12 delivered speeches. Primary students competed on the Saturday while High School students competed on the Sunday.

Each day the program ran over 5 sessions. As each session began, organisers read out a message on behalf of dott. Ludovico Camussi, Consul of Italy for QLD and NT who couldn't be present but sent warm words of welcome and congratulations which were much appreciated by the assembled competitors and their families.

At end of each session all students received participation certificates and a commemorative gift before judges called up the gold, silver and bronze medal winners.

Students were judged on their delivery, fluency, pronunciation and grammatical accuracy and judges confirmed the standard was extremely high.

Judges from ILC and the Dante Alighieri Society congratulated students on demonstrating exceptional linguistic abilities, reminding them that regardless of whether they had won a place, they were all winners for having participated.

Feedback indicates the event was thoroughly enjoyed by all who attended which means it will be back by popular demand in 2018.

ILC and MLTAQ are enormously appreciative of the assistance from judges and teachers who volunteered their time.

Their support as well as that of parents who accompanied their children contributed hugely to the overall success of the day.

IN ADDITION TO SUPPORTING ITALIAN PROGRAMS IN QUEENSLAND SCHOOLS, ILC ALSO OFFERS ITALIAN LANGUAGE COURSES FOR ADULT STUDENTS, ITALIAN AFTER SCHOOL HOURS FOR SCHOOL STUDENTS AND GIROTONDO ITALIAN PLAYGROUP FOR 3-5 YEAR-OLDS.

STUDITALIA PRIZE PRESENTATION CEREMONY 2017

Now in its 23rd year, the Studitalia prize encourages and promotes excellence in Italian studies in Queensland schools, and rewards the achievements of Year 12 students of Italian.

The prize is generously supported by the Italian Consulate for Qld and NT, DET International (Department of Education and Training) as well as key members of the Italian community like the Italian Language Centre (ILC), the Dante Alighieri Society and the Italian Chamber of Commerce & Industry.

This year, six year 12 students of Italian were selected as worthy recipients of the 2017 Studitalia scholarships.

The prizes include return airfares and a one-month stay in Italy at the boarding school Convitto Nazionale 'Paolo Diacono' in Cividale del Friuli near the city of Udine.

On Friday 8 September 2017 the awards ceremony at Education House in Brisbane began with the Kelvin Grove State College Junior School Choir singing the

Australian and Italian national anthems.

Assembled guests were then officially welcomed to the Studitalia Awards event by master of ceremonies Gina Ferraro who introduced the first guest speaker, Stacie Hansel, Acting Assistant Director-General of DET state schools.

Guests were then addressed by Dr Ludovico Camussi, Italian Consul for Queensland and the Northern Territory, who congratulated the students and reminded them of the many benefits and rewards inherent in the study of a foreign language and culture.

He confirmed that the Italian Government maintains a strong commitment to support the teaching and learning of Italian in Queensland.

Each prizewinner was then called upon to showcase their linguistic skills by presenting in Italian a speech on the 'Settimana della lingua italiana nel mondo' theme: 'l'italiano al cinema, l'italiano nel cinema'. Matisse Reid from St Monica's College, Cairns, spoke

on the History of Italian Cinema. She was followed by Cordelia Montgomery from Brisbane State High School who focussed on the Italian stereotype in Cinema.

On a similar theme Bethany Lawes of Kelvin Grove State College introduced the idea of Italian representations in English Cinema. A different aspect was introduced by Benjamin Scott of Brisbane State High School who spoke of the Italo-American cultural relationship through film.

Famous Italian directors and films were introduced by Luisa Randall of San Sisto College and finally James Humphris of Cairns State High School introduced his favourite Italian films.

During afternoon tea, guests had the opportunity to view a display of the ILC Calligram Competition 2017 winning entries.

The colourful interpretations of handwritten Italian words arranged in a way to create a visual image are a testament to the passionate Italian teaching and learning that occurs in classrooms throughout Queensland schools.

CLASSI INTENSIVE DI ITALIANO: GLI STUDENTI SONO PRONTI PER IL NUOVO ANNO

Il successo nell'imparare una nuova lingua dipende principalmente dal tempo di esposizione degli studenti ad un particolare ambiente nel quale vengono offerte le opportunità di leggere, scrivere e anche ascoltare e parlare nell'idioma scelto.

A soddisfare la richiesta arrivata degli studenti, sia quelli delle classi scolastiche dal decimo al dodicesimo anno che dalle persone adulte, interessati a mantenere e consolidare il loro livello di italiano, l'Italian Language Centre il mese scorso ha organizzato una serie di classi intensive di arricchimento linguistico di una settimana.

Per coloro che non hanno avuto l'occasione di partecipare alle classi diurne c'è stata la possibilità di partecipare a quelle serali. Dal momento che gli studenti sono entrati nelle loro classi si sono immerse nella lettura e scrittura, ma anche nell'ascoltare e parlare la lingua italiana.

Nell'ultimo giorno del loro corso gli studenti sono stati molto contenti di partecipare a una classe di cucina italiana dove, seguendo le istruzioni di due esperte cuoche, Emanuela e Graziella, hanno imparato a fare gli gnocchetti di ricotta, osservando la loro cottura e, alla fine, dopo che sono stati conditi dalle cuoche, di mangiarne una porzione con grande soddisfazione personale.

Molte amicizie sono nate tra gli studenti durante la settimana di immersione nella "bella lingua" e il giorno finale di ciascuna classe sono stati formulati tanti "arrivederci" con la promessa di incontrarsi nuovamente all'ILC per le classi estive.
